An Information Table is a single portable table of a reasonable size (i.e. no larger than 72” long by 30” deep) for the purposes of distributing literature and displaying materials. Official Campus Unit is defined in UCSD policy PPM 510 Section IV as any administrative unit of the university or any section of one of these units authorized by the unit head to operate in the manner of a department. POLICY
Town Square is part of the University Grounds located in the University Center Neighborhood (see diagram). Unless reserved for other purposes or closed by the University and subject to the General Rules provided herein, Town Square is open for Transitory Use and may be used by University Affiliates for Information Tables and Expressive Activity. In addition, Official Campus Units may reserve portions of Town Square for Events. Events must be reserved in advanced through the Price Center One-Stop Reservation Desk.

GENERAL RULES
Transitory Use, Events, Information Tables, and Expressive Activity may occur in Town Square provided those activities do not:

1. Unreasonably disrupt or interfere with University Business, including Events scheduled in Town Square,
2. Violate the legal rights of other persons, endanger their safety, or unreasonably disrupt, interfere, or obstruct viewing or hearing an Expressive Activity or Event of another person or group that is in compliance with University policy,
3. Obstruct the ingress or egress to any University facility, or obstruct the use of any pedestrian walkways, roadways, or fire lanes,
4. Unreasonably damage or pose risk of damage to the environment (e.g., turf, trees and other vegetation, wildlife) or to property
5. Relocate the tables and chairs in Town Square from their daily configuration without written authorization by the Price Center One-Stop Reservations Desk,

EXPRESSIVE ACTIVITY
Expressive Activity on Town Square may occur without a space reservation provided it does not conflict with a reserved Event or violate the rules set forth in this policy. The use of Amplified Sound for Expressive Activity is not permitted in Town Square unless it is scheduled as an Event by an Official Campus Unit.

INFORMATION TABLES
Information Tables are permitted without a reservation in designated areas of Town Square (see exhibit) between 8 a.m. and 5 p.m. provided that they do not conflict with a reserved event or violate the rules set forth in this policy. Information Tables must remain on the hardscape surface of Town Square and off the grass. Information Tables must be staffed at all times, and literature and displays must rest on the table. Any use of free-standing structures beyond an Information Table is not permitted unless the activity was booked as an Event.

Events in Town Square take precedence over Information Tables. Tabling is not permitted within zone one and/or zone two of Town Square (see diagram) when an Event is scheduled in the space.
EVENTS
Official Campus Units may book Events in Town Square. Events include but are not limited to ceremonies, celebrations, booths, fairs, and festivals.

Events with the primary purpose of promoting the goods and services of for-profit vendors (e.g., touring campus promotions of products) are not permitted in Town Square unless approved in writing as an exception by the Price Center One-Stop Reservations Desk.

A. Reservable spaces
   a. Town Square consists of two reservable event spaces - zone one and two (see diagram). Events that do not require both spaces will be held in zone one unless approved in writing as an exception by the Price Center One-Stop Reservations Desk.

   b. To provide sufficient time to review, approve, and schedule an Event, all Events must be booked with the One-Stop Reservations Desk at least twenty (20) business days prior to the start date of the Event.
   c. An Event reservation may not be approved if Town Square cannot safely accommodate the logistical or occupancy requirements of an Event.

C. Use Fees
   a. Event sponsors will be assessed a Use Fee for use of Town Square. Use Fees vary depending on the number of zones used and whether an admission charge is assessed for the Event or if the Event is free.
   b. Depending on the nature of the Event, additional charges may be assessed for moving and resetting Town Square tables, trash removal, cleaning Town Square, equipment rental, and other event-support services.
