Question and Answer

Louie: For the chicken place, what kind of chicken will be sold? Fried chicken?

Sharon: We had selection committee choose place, cannot reveal the name, but you will be quite pleased. Baked chicken will be sold, etc.

Ellen: What happened with the fire?

Sharon: There were 2 fires intentionally set in building on Dec 3, and investigation has been turned over to SD Metro Arson Strike team. Puts lot of people in danger. There is an ongoing investigation. We were lucky that all our systems worked. Lucky that maintenance worker was there, and was able to respond quickly. In the 2nd fire, another member was walking by and was able to find extinguisher and put out fire. You can call UCSD PD to get in touch if any other information is known.

Jehoan: Update for referendum this year? For UCEN?

Sammy: It depends on whether there are any new rules but it is possible.

Jehoan: Who is in charge?

Sammy: UCAB. We have been working on budget projections so we can make decisions. We will have bigger discussion when we have more info. Want account of exactly where money for referendum will go.
